Marina: Stop!

Mamar: Why are you stopping me?

Marina: Soran is our friend. You must not harm him.

Mamar: Princess, the human beings are not to be trusted.

Marina: Yes, I understand. But Soran is a good friend.

-----Title & Theme Song-----

PROFESSOR FURUZUKI'S OFFICE...

Furuzuki: Soran, shall we get started?

Soran: Oh, Professor Furuzuki.....where is Chappy?

Mika: Well, he was here a minute ago.

Soran: Chappy...hurry up. Everyone is waiting for you.

Chappy: Soran...it won't budge. Please help me!

Soran: What! You can't move!

Chappy: Oh...oh....This ^{knap}~~rick~~ sack is very heavy.

Soran: What are you going to do with this heavy ^{knap}~~rick~~ sack?

Chappy: I put the things I wanted to take with me. Now it's too heavy for me to move.

Soran: You shouldn't have that many things to take with you.

Chappy: Ahh.....

Soran: I'm surprised at you, Chappy!

Chappy: But...the city is at the bottom of the sea, isn't it?

If we don't take some food, we'll starve.

Soran: There's plenty of food at the bottom of the sea.

So, Chappy, stop worrying about it.

Chappy: Oh well....

Soran: Now...let's hurry.

-2- NINGYO NO NAMIDA.....TEARS OF MERMAID

THREE FLY IN BALL-LIKE ~~XXX~~ AIRCRAFT TO BOTTOM OF SEA...

Chappy: Soran, are you sure we'll have food down there?

Soran: Don't worry, Chappy.

Why don't you look at the guide book.

Mika: Papa, is this the city under the sea?

I'm looking forward to it.

I' wonder what kind of city it is?

Furuzuki: Professor Umizuki is an ichthyologist. He's a good friend of mine.

I'm sure he'll be glad to see us.

Mika: Is this the entrance to the city under sea?

THREE ARE GOING UNDER WATER BY ELEVATOR...

Mika: Oh, how thrilling!

Soran: It's just like a dreamland.

Furuzuki: Hmmm...what's that?

Three: (screams)

SOMETHING ATTACKS THE THREE IN ELEVATOR..ELEVATOR CRASHES TO THE BOTTOM...

Soran: Gosh! If I don't stop this elevator, we'll be crushed to death at
the bottom.

Soran: (grunts)

BREAKS THROUGH ELEVATOR FLOOR...AND RESCUES THE GROUP...

Mika: Soran!

Furuzuki: Soran, are you all right?

Chappy: Soran, are you all right. I was worried about you.

Soran: Ah...I'm all right.

Furuzuki: I'm glad we're saved!

PROFESSOR UMIZUKI ON THE SCREEN...

Umizuki: Professor Furuzuki, are you all right?

Furuzuki: Professor Umizuki, we were attacked by a strange phenomenon.

Soran: That's right. It was a shell-like object that attacked us.

Umizuki: Hmmm....Again it's them!

Furuzuki: Them? Professor Umizuki, you have an idea who they are?

Umizuki: There's someone who's trying destroy my city under the sea.

WALKING UNDER THE SEA....

Mika: My...how beautiful! It's like a fairyland.

Soran: Chappy, why don't you eat later.

Chappy: But it's no fun looking at the scenery.

Soran: Oh...it's pretty...look!

Chappy: Ahhh....

Soran: Oh...are you all right?

Chappy: I'm not all right!

Soran, see what you made me do!

Mika: Chappy, if you eat too much, it's not good for you.

Furuzuki: That's right! If you eat too much you'll be big as a balloon.

Chappy: If that's so...When I put on weight I'll exercise...Then after
the exercise I'll be hungry...then I'll eat again....1....2....

I'll exercise again...then get hungry...eat again...

Soran: Stop mumbling and let's go!

SORAN AND CHAPPY ~~WX~~ SWIM OUT...

Chappy: Soran...I'm hungry.

Soran: Why don't you forget about food sometime, ~~EXX~~ Chappy.

Oh, there's the coral reef ahead.

Let's go and see.

Chappy: Oh...there's a girl in the reef.

Marina: Oh help....help me!

Soran: Well, ~~that~~ let's go help her!

Marina: Please help!....

SORAN RESCUES PRINCESS MARINA...

Soran: Oh..you're safe now!

CORAL REEF GRABS SORAN....

Soran: (grunts)

(To the princess..)

Are you all right?

Marina: Eeeek! A human being!

Soran: Oh wait!

We won't harm you.

You must be a mermaid.

I'm Soran. Please be my friend.

Chappy: I'm Chappy.

Marina: But my father says it's the human beings who are destroying our land. So he told me not to go near them.

Soran: Huh? What? We come to destroy your land?

Marina: Yes...Our country is being destroyed because of you human beings making something here.

Soran: Is that so! Your country is being destroyed because human beings are building a city under the sea!

Chappy: Mermaid, I'm sorry to hear that.

Soran: Hmmm...really, I didn't know there was a land of mermaids.

Chappy: Yes, I didn't know it either.

Soran: I must report this to Professor Umizuki immediately.

What is your name?

Marina: Princess Marina is the name.

Chappy: Then you must be Princess of the mermaids.

-5- NINGYO NO NAMIDA...TEARS OF MERMAID

Marina: Yes I am.

Soran: I'll do my best to stop this construction under the sea. Your country will be saved.

Marina: Soran, thank you ~~xx~~ so much. You're a good friend.

Soran: Princess Marina, I will keep my promise.

Chappy, shall we go now?

Chappy: Okay, Soran.

Soran: Oh...

Ma mar: Don't move! What are you trying to do with Princess?

Soran: Oh...so you're a mermaid too.

Mamar: I'm Mamar.

You...a human being! I shall not permit this meeting!

Soran: Wait a minute!

Under Princess Marina's request I'm going to try and stop this construction under the sea.

Mamar: Quiet! You human beings are not to be trusted.

Charge him!

Soran: Ah...ah...

Mamar: Attack! Charge that fella!

Soran: Ahhh...

Mamar: Charge!

---end of part 1---

Marina: Stop!

Mamar: Princess! Why are you stopping us!

Marina: Soran is our friend. I will not allow this violence.

Mamar: Princess...You must never trust a human being.

Marina: But...I know...Soran is ~~my~~ a good friend.

Soran: Thank you, Princess Marina. I promise that I'll stop this construction.

Marina: Please do that!

UMIZUKI OFFICE...

Umizuki: What! You mean the mermaids are trying to destroy our under sea city!

Why.....!!

Soran: But ~~Professor~~ Professor, we saw them!

Chappy: That's right! They're mermaids! They had a tail like a fish.

Umizuki: Soran, I will not stop the construction for the sake of such a
mermaid-like fish!

Furuzuki: Umizuki, those mermaids must be highly developed fish. To them
we, human beings are enemies that are trying to destroy their land.

Umizuki: Professor Furuzuki....whatever you say, I will not ~~stop~~ stop this
~~my~~ development of the undersea city.

The population boom can be solved, if ~~my~~ human beings can live
under the sea. They will live just like fishes.

This is my life-long dream.

Chappy: Then...what is going to happen to the mermaids whose homes are broken?

Umizuki: That's none of my business!

Chappy: Ah...you have no feelings for them.

Umizuki: Stop it and get out of here!

Furuzuki: What are you saying, Umizuki!

Umizuki: Now leave me alone!

..FLYING TO LAND OF MERMAIDS....

Furuzuki: Now Soran....please show me the way.

Soran: Yes, Mermaid land is under this cliff.

..LAND OF MERMAIDS...

King: What...Princess talked with a human being? Is that true, Mamar!

Mamar: Yes. Princess became friend with human boy named Soran.

King: Princess...is ~~x~~ what Mamar says true?

Marina: Oh Father...Soran promised me he will try to stop the construction.

That's the reason why I...

King: Do you trust what the human says.

Marina: Yes, I trust Soran.

Mamar: Kin, Princess is being fooled by Soran. He is not to be trusted.

Marina: Stop! Soran does not lie.

Guard: King....King....! A vehicle with human beings in it is approaching
here.

King: What!

Mamar: The human beings!

King: Wait! Wait!

How many vehicles are coming?

Guard: A round-like balloon carrier...just one.

King: What! Just one?

To attack us with one carrier is strange...

Marina: Father...I'm sure it's Soran.

King: Hmmm.....Bring them here.

Mamar: But King...this is dangerous. Let's ambush them.

King: Stop, Mamar! I give out orders! Sound off the trumpets.

King: You human beings....Welcome to the land of Mermaids.

I am the King of this country.

Furuzuki: I'm Furuzuki.

Mika: I'm Mika.

Soran: I'm Soran.

Chappy: I'm Chappy.

King of Mermaids. It's just like a fairy tale story!

Mika: Chappy, stop being so chummy!

You're talking to the King. Please mind your manners.

Chappy: My name is Chappy.

I came from another planet. Right now, I am living here on Earth.

Soran: Chappy!

Chappy: No? Stop scolding me.

King: (chuckles)...What a funny fella you are.

Well Professor Furuzuki, why did you come here?

Furuzuki: I have come to apologize for inconveniences we've caused you for building the city under the sea.

Soran: We didn't know about the existence of mermaids here. Please accept our apology.

Marina: Soran...then you stop the construction, won't you?

Soran: We've tried to convince Professor Umizuki to stop this construction but he won't listen. So please ~~give~~ give us a little more time.

Mamar: Soran...so we meet again!

Wait a little longer!

Are you trying to scheme something while we wait?

Soran: That is not so.

If you wait a little longer we'll persuade Professor Umizuki to stop this construction.

Mamar: Soran...don't underestimate us. We can destroy your city under the sea any time we're ready.

Marina: Please wait! Soran came to talk things over with us.

Mamar: What is there to discuss?

Human beings suddenly invaded and built a strang construction.

Therefore, our land has been buried under a big cliff and has received unestimateable damage.

We have nothing to discuss. Under King's command we will destroy every human being.

Marina: Father...please don't start the war. If there is war, many lives will be involved.

~~Soraaaaa~~King

Mamar: Soran...you're scared of us...ha ha ha...You cowards!

Soran: No. We don't want war. That's the reason why we're here.

King: Stop...you two! I trust what Soran says. Let's wait for a while.

Soran: Thank you, King.

I will keep my promise.

King: After one hour, if the construction does not stop...we will ~~xxx~~ attack.

Furuzuki: I understand.

King: Ah..Professor Furuzuki. Long time I was caught in a huge storm and was seriously injured. Human beings came to my rescue. That's the reason why I've given you one hour to stop it. But however, my patience is limited.

Furuzuki: Soran, let's get back to the city. We must hurry.

Soran: Yes, Professor.

Mamar: Hmmm....I had plans to attack the human beings to show my bravery and marry Princess Marina but the situation has changed. I shall have to carry out my own plan...ha ha.

UMIZUKI OFFICE...

Furuzuki: Umizuki, because of your construction, the land of mermaids is being ruined as shown here.

Soran: Professor, please reconsider. If we don't stop, the mermaids will attack us.

Furuzuki: How about changing the site of city?

Umizuki: Building a city under sea has been my dream. To stop building now... I refuse to do it!

Soran: Lives are more important. ~~At~~ City under sea can be built anywhere.

Umizuki: If I stop the construction, long years of ~~eff~~ ceaseless effort will go up in smoke....boohoo...boohoo!

Soran: Professor, please don't cry. You can build they city at another place.

Umizuki: Boohoo...boohoo!

Furuzuki: We will help you too!

Umizuki: Boohoo...boohoo!

Chappy: Ah...I'm bored. My stomach's full. I think I'll go for a walk.

UNDER SEA...

Chappy: Oh...~~sink~~ isn't that Princess Marina?

Mamar: Okay, Now don't take any chances.

Warrior: I understand.

Marina: Oh, it's Mamar.

Mamar: Princess...you're waiting for Soran's return.

Marina: Mamar..this is none of your business.

Mamar: Yes, it is my business. Guards, grab her!

Marina: Oh...help!

Mamar: If I report to the King that Soran has kidnapped the Princess, the King will start the attack at once. After that I'll get rid of the King and I will become the ruler of thas country.

Princess Marina.

Soran: What? I kidnapped the Princess! That's not so. You've made a mistake.

King: Stop! Stop!

I made a mistake trusting a human being.

Prepare for attack immediately.

Mamar: Yes King.

Soran: Uh...uh...

Please...hurry...

Chappy: What can I do?

Marina: Mamar is starting war with the humans. We must hurry and stop him.

Chappy: Right. I can contact Soran through telepathy.

Soran, Princess Marina was captured by Mamar. Mamar is the evil one.

Hurry and stop him or ~~else~~ else war would start.

Soran: Oh, it's Chappy. I've been captured too and can't move.
