Wesley's Wisdom

Let there be in you that lowly mind which was in Christ Jesus and be ye likewise clothed with humility. As one instance of this, be always ready to own any fault you have been in. If you have at any time thought, spoken or acted wrong, be not backward to acknowledge it. Never dream that this will hurt the cause of God; no it will further it. Be therefore open and frank when you are taxed with anything; do not seek either to evade or disguise it; but let it appear just as it is, and you will thereby not hinder but adorn the Gospel.

Hymn History

Hymn #18 Take My Life and Let It Be

Frances Ridley Havergal was an English poet and hymn writer. She also wrote Hymn melodies, religious tracts and works for children. Her father was a pastor, writer, composer, and hymn writer and her brother was also a pastor and organist, so music was part of their lives. After an early death at age 42, her sister saw much of her work published posthumously.
